Subject: Draft Title V Operating Permit for Walker Hollow Compressor Station
Attachments: Draft Walker Hollow SOB V-UO-000979-2017.00.pdf; Draft Walker Hollow TV V-UO-000979-2017.00.pdf; Signed Cover Letter.pdf; Walker Hollow Compressor TV Renewal Bulletin.pdf

Mr. Gibbons,

I have attached the requested draft permit, the accompanying Statement of Basis, and the public notice for the Walker Hollow Compressor Station. We will also be posting the application, public notice, draft permit, Statement of Basis, and other supporting information in PDF format on our website at: <https://www.epa.gov/caa-permitting/caa-permit-public-comment-opportunities-region-8> by the start of the public comment period.

In accordance with the regulations at 40 CFR 71.11(d), we are providing a 30-day period from April 4, 2018 to May 4, 2018 for public comment on this draft permit. Comments must be received by 5:00pm MDT May 4, 2018, to be considered in the issuance of the final permit.

Please submit any written comments you may have concerning the terms and conditions of this permit. You can send them directly to me at schwartz.colin@epa.gov, or to r8airpermitting@epa.gov. Should the EPA not accept any or all of these comments, you will be notified in writing and will be provided with the reasons for not accepting them.

Thank you,

Colin C. Schwartz
